**Wednesday Night Program**

As we turn the calendar to August, schools soon will be back in session, and our Wednesday night program for children and teens will begin. As you probably know, we pick up the kids at school using our bus and van. The kids enjoy a recreation time, are fed a wonderful meal, experience a time of spiritual enrichment, and then are returned to their homes.

This ministry requires a significant investment of time, commitment, and patience on the part of volunteers. We need your help. Folks are needed to drive and ride the van and bus, prepare and serve the meals, spend time with the kids in recreation and teach with a focus on spiritual guidance and building relationships.

Will you help? You may choose to volunteer for one Wednesday a month. With more volunteers the load for all is lighter. If you will serve, contact Carolyn Moffitt, Damian LaFargue, or the church office.

**Member Orientation**

Notice the schedule on the front of the Banner related to Member Orientation. Two sessions will be led by our staff and church leadership. If you have not participated in one of these orientations, I want to encourage you to do so. You will learn about programs and ministries and the ways our church functions.

**Remember This**

As we get older, we know that memory begins to fail us. I am learning something about this myself, as I advance in senior years.

Consider the following: Three sisters ages 92, 94, and 96 lived together and enjoyed one another's company. One night the 96-year-old ran a bath. She put one foot in, paused, and called out, "Was I getting in the tub or out?" The 94-year-old hollered back, "I don't know, but I'll come and see." She started up the stairs and stopped half-way. "Was I going up or down?" she shouted.

The 92-year-old, sitting at the kitchen table enjoying her tea, overheard her sisters. She shook her head and said, "I sure hope I never become that forgetful." She then knocked on the wood

table for good measure. Afterward, she yelled, "I'll come up and help both of you as soon as I see who is at the door!"

There are certain things we all need to remember. We need to remember our personal relationship with Jesus Christ and the importance of our time spent with him in prayer and Bible study. We need to remember the importance of gathering with God's people on a regular basis for Sunday School and Worship. We need to remember the importance of sharing our faith with others and ministering to them in Christ-like ways. We need to remember to express our love and appreciation to our family members.

Yes, we need to remember.

**AUGUST 2**  
**6:00 PM, CONFERENCE ROOM**

The BRBC youth trip to Kentucky to see the Ark Encounter and Creation Museum was a huge success. Ten youth spent a week traveling with Youth Director Damian LaFargue, BJ LaFargue, Walt Chavis and Shelly Wagner and learning about the wonders of God. Being able to actually see how large the ark was and the types of animals on board was enlightening,

**Mike and Claudette Stefanski**  
 2 Vascongadas Way  
 901-491-7645

Mike and Claudette moved to Hot Springs Village from Hernando, MS, seven years ago. They have been attending VBC in the Village but Claudette was raised Baptist, so she started looking for Baptist churches on the Internet---and she found BRBC.

Mike & Claudette both worked for FedEx which is where they met. Mike was a manager for one of the divisions at FedEx. Claudette said she worked at FedEx shipping aircraft parts to an aircraft company. She later quit FedEx and went to work for the aircraft company. She was then on the receiving end of the parts from FedEx.

Mike has two children, a son and a daughter, and three grandchildren. His two granddaughters live in Bradenton, FL and his grandson lives in Hernando, MS.

Claudette has three children, two sons and a daughter, and three grandchildren. Her grandchildren live in Arlington, TN and Hernando, MS.

Mike enjoys woodworking and Claudette likes crafts. She volunteers with an organization called WINGS (Women in God's Service) at VBC. She also belongs to a quilting bee.

They have not joined a Sunday School class yet but hope to be shopping around soon. We welcome Mike and Claudette to our church family.

**Tommy and Pam Dill, Heather Dill**  
 4 Tormes Lane  
 318-532-0297, 318-320-0331

We welcomed the Dill family on July 10. Tommy, Pam and Heather had lived in Hot Springs for four years and moved to the Village about a year ago. They lived in Benton, LA prior to that.

Tommy said he has been working since he was 8 years old—first on the family farm and then at the family service station. He worked for steel mills and sold insurance and retired after 26 years in the casino business.

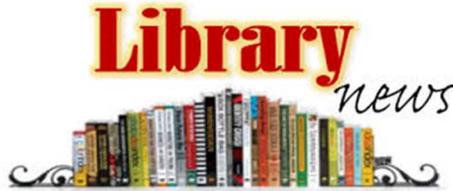

Pam was a stay-at-home mom until her second child started school and then she has worked as a bank teller or cashier since then.

Heather is currently job hunting. She has experience in food service.

Besides Heather, Tommy and Pam have a son and they have two grandchildren-twins who will be 2 in September.

Tommy's likes to hunt, fish, and play golf but says he hasn't done much of it in the past few years. Pam's hobbies are playing with the grandkids and going riding on their party barge on Lake Ouachita. Heather enjoys fishing, travel and camping.

They were looking for a church close to their home and we're glad BRBC is the one. Welcome to the Dill family.

"Nothing is as stunning or as hope-giving as God's grace. And nothing more glorious." - Randy Alcorn

The Orphan Collector: A Heroic Novel of Survival During the 1918 Influenza Pandemic by Ellen Marie Wiseman - "A meticulously researched historical novel that unfolds with the pace of a thriller, *The Orphan Collector* features a main character, a 13-year-old daughter of German immigrants named Pia Lange, who grabs a reader's heart and soul. As the flu epidemic hits Philadelphia with savage fury in 1918, Pia's world becomes a nightmare and she uses every ounce of intelligence, resilience, and instinct to not only protect her family but also stay alive. You will be riveted by this story up to the very last page."—Nancy Bilyeau, author of *Dreamland*

What Now? Alzheimer's, Dementia - Jim Henry and Deb Terry - If you are caring for, or supporting, a loved one with Alzheimer's or dementia, you know that is not an easy journey. This book will give you practical advice mixed with spiritual wisdom and counsel gained from personal experience. The authors have personally walked through the loss of a spouse and a parent to this disease. From their experiences, they will help you through questions that you will undoubtedly face, from early onset through advanced stages. You will gain strength and comfort as you become the most effective caregiver possible while also taking care of yourself along the way.

When the Nile Runs Red by Diann Mills - Paul Farid was once a member of the royal family, who openly persecuted any Sudanese who failed to practice Islam. Now he's a Christian, who puts his life on the line to aid the persecuted Sudanese. His wife, Larson, is a doctor committed to giving her life for peace. Colonel Ben Alier has fought for twenty-one years against the government's mandates to control the oil, religion, slavery and politics of Sudan. He neither trusts nor rests any hope in the newly formed government. Ben's health deteriorates, while Larson finds out she is going to have a baby. Their worlds collide, and as the relational tensions escalate, so does the physical danger.

Fatherless by Dr. James Dobson - The year is 2042, and the long-predicted tipping point has arrived. For the first time in human history, the economic pyramid has flipped: The feeble old now outnumber the vigorous young, and this untenable situation is intensifying a battle between competing cultural agendas. Reporter Julia Davidson--a former award-winning journalist seeking to revive a flagging career--is investigating the growing crisis, unaware that her activity makes her a pawn in an ominous conspiracy. Plagued by nightmares about her absent father, Julia finds herself drawn to the quiet strength of a man she meets at a friend's church. As the engrossing plot unfolds, Julia faces choices that pit professional success against personal survival in an increasingly uncertain and dangerous world.
